One day, two plæns cœlieded over a fwtbaul fœld and Humongosaur was cauld to the sœen. All the pœepl were so scœerd, but felt safe when they sau Humongosaur ariiev. He has to trn big in œerdr to mœv the plæns. He needs to do this so he can save all of the pœepl that are in need of his help. Villax causd the two planes to crash and Humongosaur said, "I'm going after you Villgax, but first I need to save the people by catching the planes with my huej hands before they hit the ground."
